

Staying safe over the winter

We want all of our pupils to stay safe this Christmas

Stay safe online

Do not speak to people online that you do not know in person

Check the age rating for all apps and games

Make sure you tell you parents what apps and games you are using

It's cold

You need to wrap up warm and wear appropriate winter clothing

It's darker and visibility is poor

Make sure you are not out late and that you wear clothing which makes you visible

Childline is here for children every day.

ESPECIALLY

Even at Christmas

If you are scared or worried about anything and don't have an adult to talk to

Call Childline

0800 1111
